

Making a **Difference** Together

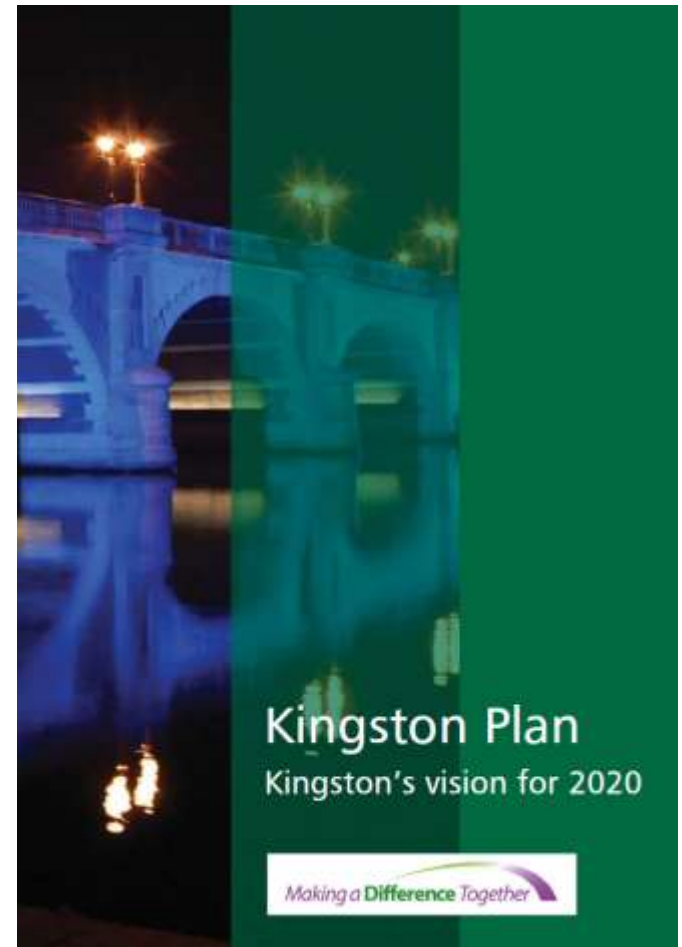

‘Where does NI7 sit and fit in our local strategic framework?’

Dean Tyler

Kingston Strategic Partnership

*Making a **Difference** Together*

- New Kingston Community Plan launched March 2009
- Partnership priorities to 2020 - based on Partnership input & public consultation
- We can only succeed in delivering these outcomes by working in Partnership

Making a **Difference** *Together*

- Kingston that is ... Safe, Healthy and Strong
- Encourage people to take an active part in the social and cultural life of the community
- Create an environment for a thriving third sector

Making a **Difference** *Together*

- Kingston that is ... Prosperous and Inclusive
- Sharing prosperity and opportunity

*Making a **Difference** Together*

- Kingston that is ... Sustainable
- Protecting and enhancing the environment for future generations
